This is a list of companies included in the Huggins Aftermarket Parts Cross Reference System (XREF)
MM/DD/YYYY = Companies with dates have their complete offerings included.
NLA = companies that are out of business but some shops might still have some inventory.
MARINE = Only the marine offerings are included, i.e. only a subset of this company is included.
Updates are planned for each month. The numbers to the right are the month that the change was entered.
